I would like to strongly object to this planning application. My main reason is that the primary school and gp surgery in their current form would be unable to cope with extra people. The limited services Creech offers are already over stretched. The roads are already dangerously busy and I experience this everyday walking three young children to school. I accept that countryside more houses are needed but I feel Creech has had its fair share of new houses over the past few years. It would be very sad to lose more of the limited green space in the village. These fields are always full of dog walkers and children playing. There are no other local fields that could compensate. In my opinion more houses would result in Creech losing its village feel. I hope the planning team listen to the strong objections of all local residents.
