I would like to greatly disagree with more houses in Creech. As always the government/councils let private building companies in with developments before local amenities are upgraded, let alone road structures. The village is on the back foot now. As with the proposed entry for the site ON A BLIND corner an accident waiting to happen as the road is used as a race track now. I think 2500 houses already planned for the parish is on the limit. 200 more to make a Cheshire building company profit is not necessary. NO MORE PLEASE.
