Dear Sir,

I feel I must object,
to the planning Application
14/17/0033.

Drawing through Creech
is now very congested,
with another 200 plus
houses the road would
be gridlocked.

The New School at West
Monkton is full Now for
children starting school,
where will the Extra children
go?

This new planning Application
falls outside the TD3c Core
Strategy.

Please Please we have
enough New House Now.
There is no good reason

for more development in
the area.
