Case Number : 3DS156492
Submitted by Customer : John Neill McClintock
Telephone Number : [REDACTED]
Customer's Address : Curvalion Villa Curvalion Road Creech St Michael TA3 5RZ
Customer's E-mail address : [REDACTED]
Information :

Planning already exists for a substantial number of new homes adjacent to Creech St Michael. These new residents will join the many who already use the village road as a rat run. Another 200 will be extremely unwelcome and further clog up the village road. I suspect the highway authority will say they need to improve the traffic flow. This could well result in more unwelcome yellow lines or parking restrictions that will impinge upon the heritage of this already traffic abused village. The village has a modest centre and very limited facilities that need to be nurtured and not paralysed by more traffic. In addition we personally take our lives in our hands when we try to exit Curvalion Road onto the already very busy rat run. I can find no planning policy that allows for this site and the grant of planning will link Creech to the recently developed Bathpool or is it Monkton Heathfield that in turn links to Taunton creating an unimaginative unsustainable sprawl. In short enough is enough thank you, please preserve or bypass our village.
