I strongly object to another housing development in Creech. Over the last few years there has been a huge increase in the amount of traffic that comes through the village, it is particularly dangerous around the school, park and Hyde lane all roads that are accessed by children getting to and from school on foot, having potentially 200 more cars on the roads is unthinkable and will eventually lead to a child being injured. The infrastructure itself cannot support this development not to mention the lose of natural habitat for wild animals.
