I strongly object to the proposed planning application for the following reasons :- 1. The area for the proposed development is outside the TDBC core strategy 2. Lack of infrastructure 3. As a resident of St Michael Road, there has been a substantial increase in traffic through the village in recent years and the small roads cannot sustain any further development. Crossing roads is often hazardous! 4. The loss of the remaining natural barrier between the village and the motorway 5. The schools are becoming heavily over subscribed as is the doctors surgery. 6. Removing hedgerows will destroy wildlife habitat.
