Subject: More houses at Creech St Michael
Date: 10 November 2017 09:48:56

Having lived down Bull Street, Creech St Michael for over 45 years, I would like to add my name to the increasing group of local inhabitants objecting to the proposed erection of 200 more houses.

Creech used to be a village – it is now rapidly becoming a suburb of Taunton.

There is already too much traffic and, with the recent developments in Hyde Lane, already more than enough new properties.

Enough is enough. My wife & I would like to express our strong objections to any further developments.

With kind regards

Ben & Jill Sykes
