Subject: Planning Application 14/17/0033

Importance: High

Dear Ms Wadsley

I wish to voice my objection to the above planning application for 200 more houses in Creech St Michael. I am a fairly new resident of the village, but in the 14 months since I moved here a considerable number of new homes have already been built, near the doctor's surgery and behind the school. (I understand this is in addition to the 2500 already planned).

I am very concerned about the number of extra cars on the narrow roads through our village, and the strain on services, particularly the school and the doctor's surgery. One additional part time doctor has now been appointed, but as the surgery serves residents of Creech St Michael and Ruishton it is very much oversubscribed already.

Yours sincerely

Meg Cardy
