I wish to object to this application on the following grounds: 1. The area being put forward for development falls outside of the TDBC Core Strategy. 2. Loss of remaining natural barrier between Creech St Michael and West Monkton. 3. Increased number of cars using narrow roads, particularly Hyde Lane as Creech residents use this as a cut through to Bathpool to avoid congestion back to Heathfield Gardens on the new A38 relief road. 4. Added congestion at Bathpool. 5. Lack of health services - it already takes 3 weeks to get an appointment with a GP at Creech Medical Centre. 6. Loss of land traditionally used for recreation.
