Customer's Address : 16 Tristram Drive
Creech St. Michael

Customer's E-mail address : [REDACTED]**Information :**

I would like to raise my object to the proposed construction of an additional 200 properties in the Creech St. Michael village at the North End. As a local resident with Children in the school I do not believe that the infrastructure can support and additional houses. Following the recent construction projects the school classes has increased significantly and it's becoming difficult to get doctors appointments. In addition the road infrastructure is clearly not coping with the existing developments with some areas such as the road outside the school now busy and dangerous during peak times. I also believe that is important to maintain the green barrier between the Creech and Monkton which is fast disappearing.
