

WE ARE AWARE THAT PEOPLE HAVE BEEN INVITED TO COMMENT OUTSIDE OF THE NORMAL CONSULTATION PROCESS, THIS HAS RESULTED IN A HIGH LEVEL OF REPRESENTATIONS BEING MADE. PLEASE BE AWARE OF THE FOLLOWING WHICH WAS NOT INCLUDED IN UNOFFICIAL POSTERS AND EMAILS SENT OUT

Please allow 7 working days for representations to appear on the website, please do not email until at least seven days has passed as this causes extra work and delays us being able to deal with representations as quickly as we are able.

Please ensure you include full postal details on your representations, be aware we are no longer able to individually acknowledge representations as this causes further work and delays, please check the website to see your representation is published. Please supply an email address where possible as any further notifications can then be sent direct to you via email.

Finally we have a number of representations which are not following the Official Link for comments on the website or being sent to planning.admin@tauntondeane.gov.uk this is also likely to cause delays as the Representations need to be dealt with outside of the normal process so it would be helpful to ensure the two official methods to make representations are followed.

Thank you.
