I would like to object to 200 more houses in Creech st Michael.I both live and work in the area.Already our road system has been disrupted ,there is not sufficient shops ,school doctors surgery spaces.The roads are constantly filled with normal traffic then agricultural traffic adds both noise and size making the area crowded and dangerous. Environmentally the loss of hedges will destroy wildlife and increase flooding. Please think again we have already accommodated hundreds of extra houses ,let another area take its turn and spread the numbers across Taunton Deane borough.
