

HO, West View,
Creech St. Michael,

Ref:- Planning Application
14/17/0033.

Dear Madam,

I wish to express my sincere objection to the above planning application.

I lived for a number of years in the lovely Quantock village of Bicknoller, but as I worked in Taunton I decided to move to Creech which was then a real village surrounded by fields, farms and all their animals.

Now, sadly that has all gone & we are a suburb of Taunton, surrounded by estates, after estate, after estate.

This privately owned land is the only area between CSM & the motorway that has not been built on.

One of our main concerns is the congestion of traffic on our roads (eg. I was unable to cross the road from Hyde Lane to the postbox on the main road in Creech last week for over 20 minutes!).

Please, please do not give your agreement to this application.

Yours Sincerely,
