

Cranmere,
St Michael Road,
Creech St Michael,
TA3 5DP

Dear Ms Wadsley,

Planning Application 14/17/0033

I wish to object to the above planning application on the following grounds:

The housing site proposed by Gladman Homes falls outside the core strategy of Taunton Deane Borough Council. If approved it would join Creech St Michael to the motorway and the current and proposed housing development at Monkton Heathfield.

A housing development of the size proposed by Gladman would place intolerable strain on the primary school and health centre. The latter is already stretched by the recent and continuing housing development in the Hyde Lane area. Same day doctor's appointments are already increasingly difficult to obtain.

I should be grateful if you would bring my objections to the notice of the planning committee when they consider this application.

Yours sincerely,

William Gregg

Ms F Wadsley,
Deane House,
Belvedere Road.
