Dear Madam

NO TO 200 MORE HOUSES IN CREECH ST MICHAEL
PLANNING APPLICATION 14/17/0033

Surely at some stage someone is going to accept that this lovely village cannot possibly have yet more houses built before we are entirely over run.

The roads area a nightmare, impossible to see a Doctor within weeks, the school children take over the entire pavement and the dog mess is appalling.

What was lovely fields to walk and watch wildlife has even now ceased to exist and the risk of flooding – which since improvements have been made in Ruishton – we have not had for several years but which surely with more and more buildings is more than likely to happen again.

It would appear that no consideration has been given to what was the existing appeal of the Village it would seem that the emphasis is entirely on building more and more houses that not only are not in keeping with village life but the natural barrier between us and the motorway means we are just turning into a vast area of concrete and buildings.

In summing up – please, please, please NO MORE BUILDING.

Yours faithfully

C A Green (mrs)
