**Submitted by Customer :** Karen Burrow  
**Telephone Number :**  
**Customer's Address :** 35 Ryesland Way  
Creech St Michael

**Customer's E-mail address :****Information :**

I would like to strongly object to this application. This application is for development on land that is protected by the TDBC Core Strategy. There seems little point spending time and money drawing up such plans if they are to be ignored. Recent developments within the village have already increased the level of traffic on our narrow roads and at peak times it is a regular occurrence that the roads become jammed. The school and doctors surgery are also now over subscribed and cannot accommodate this further development.
