Subject: Objection to Planning Application 14/17/033
Date: 09 November 2017 17:42:49

Dear Taunton Deane,

I object to the above planning application for the following reasons :

- Loss of an important wildlife corridor and natural barrier between Creech St Michael and the large development on the other side of the motorway around Monkton Heathfield.
- Loss of wildlife habitat.
- Lack of infrastructure to support the increase of families living at the development- Doctors surgery, schools etc
- Increased pressure on the the already busy narrow road through the village.
- The area proposed for the development is outside the TCDBC Core Strategy

Yours sincerely,

Simon Jones.
