1 HYDE COURT
HYDE LANE
CREECH ST MICHAEL
TAUNTON TA3 5RB**Customer's E-mail address :****Information :**

I have lived in creech st Michael for 25 years, and worked in the village for 16. I have seen many changes to the village, and most have not been for the better. since the large amount of new houses in and arround creech have been built, the congestion has been horrendous, the school is full to capacity, vandalism is up, flooding has worsened, there are no more green spaces except in langaller. The bus only runs 3 times a day here, and none in the evening, we only have one shop, and no other facilities. When I moved her, it was sold to me as a quiet village in a green belt area, Local people DO NOT want anymore houses, we are no longer a village, and nearly join up to taunton, these new proposed houses will join us up to the motorway, increasing congestion, and finally using the last of the green area in creech. We have had our fair share of new homes in our village, and only slightly further down the road, the massive new builds in west monkton, which has overflowed into creech because the school and nursery in west monkton are to small to cope with the numbers. Please do not consider this planning application we are too small to cope with anymore homes, leave our village(barely anymore) alone.
